

Climate Champions Application Form

The aim of Dane County Climate Champions is to recognize businesses, local governments and nonprofits that are leading on climate change.

Fill out this form to apply for recognition in the Land Use category. If your dairy or crop operations also include energy efficiency measures, you can also apply for recognition under the Building Energy Use category.

Applications for 2024 Climate Champions are open from May 13th to July 12th.

* Indicates required question

1. Email *

2. First name *

3. Last name *

4. Land owner, if different from applicant *

5. Land owner contact (email or phone number) *

6. What is the property's address? *

7. Please upload a photo of the land. We will use this photo on our Climate Champions map if the project qualifies as a Climate Champion.

Land Use Practices

In this section we will ask you about some specific practices. For each practice, indicate whether or not you are doing it and, if you are doing that practice, we'll have a couple of additional questions about the practice.

Reduced or no-till agriculture

8. Are you implementing this practice? *

Mark only one oval.

Yes *Skip to question 9*

No *Skip to question 12*

Reduced or no-till agriculture details

9. On how many acres are you implementing this practice? *

10. What year did you begin to implement this practice? *

11. Are you evaluating the effectiveness of these land use practices? If so, what value * have you seen since beginning?

Establishing and Maintaining year-round vegetative cover, such as cover crops

12. Are you implementing this practice? *

Mark only one oval.

Yes *Skip to question 13*

No *Skip to question 16*

Establishing and Maintaining year-round vegetative cover details

13. How many acres of land are you doing this practice on? *

14. What year did you begin to implement this practice? *

15. Are you evaluating the effectiveness of these land use practices? If so, what value * have you seen since beginning?

Increased nitrogen use efficiency

16. Are you implementing this practice? *

Mark only one oval.

Yes *Skip to question 17*

No

Increased Nitrogen use efficiency details

17. How many acres of land are you doing this practice on? *

18. What year did you begin to implement this practice? *

19. Are you evaluating the effectiveness of these land use practices? If so, what value * have you seen since beginning?

Active Tree Planting, Maintenance & Disease Prevention

For example, integrated pest management

20. Are you implementing this practice? *

Mark only one oval.

Yes *Skip to question 21*

No *Skip to question 24*

Active Tree Planting, Maintenance, and Disease Prevention Details

21. How many acres of land are you doing this practice on? *

22. What year did you begin to implement this practice? *

23. Are you evaluating the effectiveness of these land use practices? If so, what value * have you seen since beginning?

Rotational Grazing

24. Are you implementing this practice? *

Mark only one oval.

Yes *Skip to question 25*

No *Skip to question 32*

Rotational Grazing Details

25. How many acres of land are you doing this practice on? *

26. When did you begin to implement this practice (year)? *

27. Are you evaluating the effectiveness of these land use practices? If so, what value * have you seen since beginning?

Transferring manure to digesters or composting manure

28. Are you implementing this practice?

Mark only one oval.

Yes

No

29. On how many acres are you implementing this practice?

30. When did you begin to implement this practice (year)

Example: January 7, 2019

31. Are you evaluating the effectiveness of this practice? If so what have you seen?

Prairie, Riparian or Wetland Restoration

32. Are you implementing this practice? *

Mark only one oval.

Yes Skip to question 33

No Skip to question 40

Prairie, Riparian or Wetland Restoration - Details

33. How many acres of land are you doing this practice on? *

34. When did you begin to implement this practice (year)? *

35. Are you evaluating the effectiveness of these land use practices? If so, what value * have you seen since beginning?

Conducting an operational energy or water audit

36. Are you implementing this practice?

Mark only one oval.

Yes

No

37. On how many acres are you implementing this practice?

38. What year did you begin to implement this practice?

39. Are you evaluating the effectiveness of these land use practices? If so, what value have you seen since beginning?

Other Practices

40. Are you implementing some other noteworthy practice? *

Mark only one oval.

Yes *Skip to question 41*

No *Skip to question 45*

Other Practices - Details

41. What are you doing? *

42. How many acres of land are you doing this practice on? *

43. When did you begin to implement this practice (month/year)? *

44. Are you evaluating the effectiveness of these land use practices? If so, what value * have you seen since beginning?

Final Notes

45. What else should we know about your application?

If there is anyone else we should include in email correspondence about this application, please provide name and email here.

46. Name

47. Email
